- I understand that the CFE Lab provides interpreting role plays, utilizing Deaf and hearing individuals, solely for the benefit of my education and training to become a professional interpreter.

- I understand that the Deaf and hearing individuals who participate in interpreting role plays for my benefit are taking on fictitious roles, as opposed to their own life experiences.
- I understand that video recordings of the role plays are to remain on hard copy in the CFE lab at all times and that in no circumstances are they to be removed from Building 9.
- I understand that video recordings of the role plays are not to be duplicated, uploaded to the internet, emailed, saved on personal flash drives and/or shared with any third party outside of the CFE lab and ASL Professors.
- I understand that the content of the role plays, though fictitious, are confidential and may not be discussed with third parties outside of the lab or professor.
